Little Raiders Preschool believes that children learn by doing, getting messy, investigating answers to their questions, problem solving with their friends, playing games, using their imaginations, expressing their emotions, creating, and exploring the world around them.

We are a hands on, creative, play-based kindergarten readiness preschool.

We offer programming for 3-5 year old children in the surrounding area. Students must be 3 years old by September 1, 2022, to enroll.

All students must be fully toilet trained
