

The Little Raiders News

January 2019

Reminders

- No School -1/18
- Valentines Celebration- 2/14
- No School- 2/18

Happy Birthday!

29th - Samantha

Cold Weather

The Little Raiders will go outside if the temperature (with wind chill) is above 10 degrees or higher.

Please send in a warm jacket, snow pants, boots, gloves and a hat daily. We do not have a lot of extras and we don't want anyone to be cold.

If you need assistance getting any of these please let us know so we can try to help.

This month we are discussing all things Artic! The children brainstormed what they already know about it and what they want to know. We will discuss the different animals, climate and explore how snow and ice are made. The children are curious why most of the animals are white, if people live there and what types of vehicles are driven through all of that snow and ice. We are excited to find out the answers to their questions through book, computers and other resources.

Our room will be filed with hands on learning activities that will reinforce our Artic study and school readiness goals.

Make sure to check out Facebook and our class dojo to see these activities in action!

Drop Off and Pick Up

Starting this month when you drop off your child in the morning between 8:35-8:55 please take them to the DK playground. One of the Little Raiders teachers will be out there waiting for them.

Please let one of them know you are dropping them off, they will have an attendance sheet. Backpacks can be set by the blue square near the buddy bench.

If it is inside recess, please take them to the music room located near the office.

If you are picking them up between 4:10-4:30 again, please go to the DK playground. If it is to cold, we will be in our classroom.
